

FOUNDATION IN ARTS

(R2/0011/3/0263) (MQA/FA 1998) 07/2027

A Foundation in Arts (Fashion Design) is a preparatory programme that can give you the skills needed to successfully complete an undergraduate degree. This introductory study of fashion design can help you better understand the qualities and skills needed to be successful in the fashion industry. You may get hands-on experience manufacturing clothing alongside courses designed to help you better manage your time while at the university. You may gain a variety of skills during this programme, such as effective communication, portfolio development and drawing techniques. Not only will these abilities help you succeed in an undergraduate degree programme, but they can also serve you well in your career.

DURATION OF STUDY

Duration of Study: 1 year

EDUCATION PROSPECTS

The programme aims to introduce students to the different fields of study in fashion. Students will be exposed to specialized modules, real-life simulations, out-of-classroom field and study trips, interaction with working professionals as well as competitions. Upon successful completion, students are eligible to enrol into our degree programmes.
