

FOUNDATION IN INFORMATION TECHNOLOGY

(R3/0611/3/0020) (A10442) 03/2030

Foundation in Information Technology is tailored to provide students with a direct route into a degree programme of the related field of study. The core modules integrated with the programme will equip students with a strong theoretical foundation to fully prepare them for their degree journey. The programme is structured in ways that map explicitly with modern technology and in line with the industry. The programme aims to give students the skills to study specialist technology topics later in their degree programme.

DURATION OF STUDY

Duration of Study: 1 year

EDUCATION PROSPECTS

This guide will help you clarify what information technology is and help you navigate through everything you need to know about the field, like the necessary subjects to study in:

- Bachelor in Information Technology (Honours)
